Make all Market Barrow entries in **105-MK-3**.

1. All barrows will be weighed Saturday, August 12 from Noon - 4 pm. Barrows must weigh between 230 and 280 lbs. This weight will be the official weight for all barrows being scanned for carcass data. NO RE-WEIGHING. All top barrows in each class will be re-weighed at time of placing. If their weight is increased by more than 13 pounds they will be disqualified. ALL BARROWS MUST HAVE REGISTRATION CERTIFICATES APPROVED BY THEIR BREED ASSOCIATION IN ORDER TO SHOW IN PUREBRED CLASSES. A faxed copy of a registration certificate will only be accepted if it is faxed to the Indiana State Fair directly from a National Breed Association office.
2. Barrows must be entered, weighed and shown under the same name. They must be entered in on-foot classes on regular entry forms at time of making all entries. DO NOT enter carcass class numbers.
3. Slick clipping or body shaving of market barrows is prohibited for this show. A minimum of one half inch of hair in length on the body is preferred by the packers that purchase and process these animals. Animals having less than one half inch of hair in length on the body may be condemned by the processor. Exhibitors will not receive carcass payment for animals that are condemned.
4. Exhibitors may enter, weigh and exhibit NO MORE THAN 10 BARROWS. Do not specify breeds for barrow entries, use MK for section letters.
5. Barrows will be listed according to breed and weight and divided into approximately even classes with no more than 15 in a class.
6. Exhibitors may (at their expense) elect to have their animals scanned, at the time of weigh in, for carcass data.
7. All barrows exhibited in this show will be purchased and slaughtered. Slaughter of these animals is mandatory; this includes out hogs. All exhibitors will be charged a fee to cover insurance

and handling by Indiana State Fair. This amount will be deducted from the value of the animal. Selling price will be based on current market value.

8. In consideration of the packers who support the show, the management requests that exhibitors refrain from the use of injected medication on barrows at the Fair.
9. NO PEN FEE WILL BE CHARGED, BUT AN ENTRY FEE OF \$5.00 PER HEAD WILL BE REQUIRED. IN ADDITION, A \$30.00 DOLLAR ENTRY FEE PER DEPARTMENT MUST BE PAID.

A purebred Spotted barrow, with a purebred Spotted pedigree is eligible to show, or they must be officially registered through the National Spotted Swine Record "Appendix Registry Program" and an official Spotted Appendix Registry certificate of AR registry for the specific barrow must be furnished at the Indiana State Fair.

All Spot Barrows must meet specific Spotted Breed characteristics:

- 2) no distinct white belt pattern encircling and/or extending down and onto each shoulder;
- 3) Spotted Breed character is required (ears down and reasonably sized, black and white or any combination of, etc.).

The Indiana Spotted Breeders Association will designate an official Spotted classifier who will accept or disqualify barrows based on the aforementioned Breed characteristics. The decision of the classifier is final and no protests are allowed.

Individuals and/or businesses wishing to sponsor an award should write to the Entry Department, Indiana State Fair, 1202 East 38th Street, Indianapolis, IN 46205. To avoid deletion, awards listed in this book must be confirmed with the Entry Department by January 1, 2007.
